ARTICLE I.1 - SUBJECT MATTER OF THE AGREEMENT

I.1.1 The NA has decided to award a grant, under the terms and conditions set out in the Special Conditions, the General Conditions and the other Annexes to the Agreement, for:

Accredited Project: 2022-1-FI01-KA121-SCH-000059994 under the Erasmus+ Programme, Key Action 1: Learning mobility of Individuals, as described in Annex II.

I.1.2 By signing the Agreement, the beneficiary accepts the grant and agrees to implement the project, acting on its own responsibility.

The beneficiary shall comply with the applicable quality standards and all other rules applying to their accreditation.

ARTICLE I.2 – ENTRY INTO FORCE AND IMPLEMENTATION PERIOD OF THE AGREEMENT

I.2.1 The Agreement enters into force on the date on which the last party signs it.

I.2.2 The project runs for 15 months, from 1.6.2022 to 31.8.2023.

ARTICLE I.3 - MAXIMUM AMOUNT AND FORM OF THE GRANT

I.3.1 The maximum amount of the grant is EUR **145838**.

I.3.2 With regards to the estimated budget specified in Annex II and with the eligible costs and the financial rules specified in Annex III, the grant takes the form of the reimbursement of the eligible costs of the action ('reimbursement of eligible costs') which are:

- (i) actually incurred ("reimbursement of actual costs") for the additional costs related to inclusion support for participants and for the exceptional costs based on the rates in Annex III;
- (ii) declared on the basis of the unit costs indicated in Annex IV ("reimbursement of unit costs") for the categories of costs in the same annex.

ARTICLE I.4 – REPORTING AND PAYMENTS ARRANGEMENTS²

I.4.1 Payments to be made

The NA must make the following payments to the beneficiary:

- a first pre-financing payment;
- one payment of the balance, on the basis of the request for payment of the balance referred to in Article I.4.4.

I.4.2 Pre-financing payment[s]

The aim of the pre-financing is to provide the beneficiary with a float. The pre-financing remains the property of the NA until the payment of the balance.

The NA must make the pre-financing payment of EUR 116670,4 to the beneficiary within 30 calendar days following the entry into force of the Agreement corresponding to 80% of the maximum grant amount specified in Article I.3.1 except if Article II.24 applies.

I.4.3 Reporting, requests for pre-financing payments and interim reports

Not applicable.

I.4.4 Final report and request for payment of the balance

Within 60 calendar days after the end date of the Project specified in Article I.2.2, the beneficiary must submit a final report on the implementation of the Project using the reporting tools set in Article I.10. This report must contain the information needed to justify the amount requested on the basis of unit contributions where the grant takes the form of the reimbursement of unit contributions or the eligible costs actually incurred in accordance with Annex III.

The final report is considered as the beneficiary's request for payment of the balance of the grant.

The beneficiary must certify that the information provided in the request for payment of the balance is full, reliable and true. It must also certify that the costs incurred can be considered eligible in accordance with the Agreement and that the request for payment is substantiated by adequate supporting documents that can be produced in the context of the checks or audits described in Article II.27.

I.4.5 Payment of the balance

The payment of the balance reimburses or covers the remaining part of the eligible costs incurred by the beneficiary for the implementation of the project.

The NA determines the amount due as the balance by deducting the total amount of pre-financing already made from the final amount of the grant determined in accordance with Article II.25.

If the total amount of earlier payments is greater than the final amount of the grant determined in accordance with Article II.25, the payment of the balance takes the form of a recovery as provided for by Article II.26.

If the total amount of earlier payments is lower than the final amount of the grant determined in accordance with Article II.25, the NA must pay the balance within 60 calendar days from when it receives the documents referred to in Article I.4.4, except if Article II.24.1 or II.24.2 apply.

Payment is subject to the approval of the request for payment of the balance and of the accompanying documents. Their approval does not imply recognition of the compliance, authenticity, completeness or correctness of their content.

The amount to be paid may, however, be offset, without the beneficiary's consent, against any other amount owed by the beneficiary to the NA, up to the maximum amount of the grant.

I.4.6 Notification of amounts due

The NA must send a *formal notification* to the beneficiary:

- (a) informing it of the amount due; and
- (b) specifying whether the notification concerns a further pre-financing payment or the payment of the balance.

For the payment of the balance, the NA must also specify the final amount of the grant determined in accordance with Article II.25.

I.4.7 Payments to the beneficiary and interest on late payment

The NA must make payments to the beneficiary.

If the NA does not pay within the time limits for payment, the beneficiary is entitled to late-payment interest at the rate applied by the European Central Bank for its main refinancing operations in euros ('the reference rate'), plus three and a half points. The reference rate is the

rate in force on the first day of the month in which the time limit for payment expires, as published in the C series of the Official Journal of the European Union.

Late-payment interest is not due if the beneficiary is a Member State of the Union (including regional and local government authorities and other public bodies acting in the name of and on behalf of the Member State for the purpose of the Agreement).

If the NA suspends the time limit for payment as provided for in Article II.24.2 or if it suspends an actual payment as provided for in Article II.24.1, these actions cannot be considered as cases of late payment.

Late-payment interest covers the period running from the day following the due date for payment, up to and including the date of actual payment as established in Article I.4.11. The NA does not consider payable interest when determining the final amount of grant within the meaning of Article II.25.

As an exception to the first subparagraph, if the calculated interest is lower than or equal to EUR 200, it must be paid to the beneficiary only if the beneficiary requests it within two months of receiving late payment.

I.4.8 Currency for payments

The NA must make payments in euros.

I.4.9 Currency for requests for payments and conversion into euro

Request for payment must be drafted in euros.

The beneficiary with general accounts in a currency other than the euro must convert costs incurred in another currency into euros at the average of the daily exchange rates published in the C series of the Official Journal of the European Union, determined over the corresponding reporting period (available at <http://www.ecb.europa.eu/stats/exchange/eurofxref/html/index.en.html>).

If no daily euro exchange rate is published in the Official Journal of the European Union for the currency in question, conversion must be made at the average of the monthly accounting rates established by the Commission and published on its website (http://ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm), determined over the corresponding reporting period.

The beneficiary with general accounts in euros must convert costs incurred in another currency into euros in accordance with their usual accounting practices.

I.4.10 Language of requests for payments and reports

All requests for payments and reports must be submitted in Finnish, Swedish or English.

I.4.11 Date of payment

Payments by the NA are considered to have been carried out on the date when they are debited to its account unless the national law provides otherwise.

I.4.12 Costs of payment transfers

Costs of the payment transfers are borne as follows:

- (a) the NA bears the costs of transfer charged by its bank;
- (b) the beneficiary bears the costs of transfer charged by its bank;
- (c) the party causing a repetition of a transfer bears all costs of repeated transfers.
