

## Letter of Intent

### **Associated Full Partner in the Erasmus+ Call Partnerships for Innovation: Alliances (ERASMUS-EDU-2022-PI-ALL-INNO) RISE: Raising Internationalization Skills and Entrepreneurship**

I, the undersigned Tuula Hoivala hereby declare that the organization City of Tampere/Tampere Vocational College Tredu expresses the intent to become an associated full partner to the Erasmus + Partnerships for Innovation: Alliances (ERASMUS-EDU-2022-PI-ALL-INNO) Project: “Raising Internationalization Skills and Entrepreneurship” (RISE), coordinated by Universität Leipzig.

Considering the objectives of RISE and in particular:

- Building capacities of the participating Higher Education Institutions and Vocational Education and Training schools to be able to work transnationally using digital technologies for teaching and learning, in order to design a common curriculum on International Entrepreneurship/SMEs internationalization, adapted to the real needs and current challenges of the private sector.
- Providing new knowledge and a set of new skills to the participating students, increasing their entrepreneurial mindset and employability opportunities, thanks to the service learning approach of the project, which connects them with incubators, SMEs and start-ups, in order to solve real-world business situations.
- Building innovation capacities to the participating incubators, SMEs and start-ups to explore business opportunities in international markets, considering the upskilling and/or reskilling for the green and digital transitions to scale up and be sustainable in the long term.

Considering the convergence between the objectives of RISE and the mission of the organization I represent;

By signing this Letter of Intent, I hereby declare the intention of the organization I represent to cooperate with the RISE consortium and to become an associated full partner of RISE. In case of positive Erasmus+ grant decision, the organization I represent agrees to participate actively in the corresponding activities described in the different Work Packages of the written proposal.

Finally, I am also aware that the budget allocated to my organization to develop the RISE project is 90 276 €. Therefore, considering the conditions given by the European Union in this call, my organization will contribute with 18 055 € (20% of the budget) to co-finance the total costs allocated for the execution and operationalization of the project.
