

## MODEL LETTER OF SUPPORT

This letter must be written on the official letterhead paper of the organization

Effective education and labour market transitions of young people

HORIZON-CL2-2024-TRANSFORMATIONS-01-10

### **Letter of Support**

This letter is to confirm that Tampere Vocational College Tredu represented by Tuula Hoivala Head of Development City of Tampere / Tampere Vocational College Tredu declares the intention to collaborate with partners in the project *Promoting Inclusive Transition Mechanisms in European VET Systems (PINVET)*, led by Eli Smeplass from the Norwegian University of Science and Technology, Norway, and represented by Maarit Virolainen, Finnish Institute for Educational Research, University of Jyväskylä, Finland.

In terms of contribution to the project, Tampere Vocational College Tredu has the intention to provide support for the project during the project period and after without any binding commitments by sharing information on project activities and results within its networks, promoting the visibility of the project, participating in events, and assisting in reaching informants.

The agreement will not be binding on the City of Tampere until the relevant decision has become enforceable.
