Hakemus: Tampereen kaupunki järjestäisi vastaanoton kaupungintalolla 18 lokakuuta 2022
Application: Reception hosted by the City of Tampere on 18 October 2022

Tampereen yliopisto järjestää 18.-19.10.2022 Orgaanisen elektroniikan yhdistyksen syksyn 2022 työryhmäkokouksen (Organic Electronic Association). Kokouksen järjestäjät tiedustelevat sydämellisesti voisiko Tampereen kaupunki järjestää kokouksen osallistujille vastaanoton Vanhalla kaupungintalolla tiistaina 18.10.2022 klo. klo 18.

Työryhmäkokoukseen odotetaan noin 100 osallistujaa teollisuudesta ja tutkimusorganisaatioista. OE-A on suurin orgaanisen, painetun ja joustavan elektroniikan toimialaorganisaatio, johon kuuluu maailmanlaajuisesti yli 200 jäsenyritystä ja -organisaatiota joista merkittävin osa Euroopasta. Työryhmäkokoukset ovat tärkeitä tapahtumia verkostoitumiselle ja uusien liiketoimintamahdollisuuksien tunnistamiselle.

Lisätietoja kongressista löytyy liitteen mukaisesta alustavasta kutsusta tai OE-A:n verkkosivuilta www.oe-a.org. Kristiina Tuokko Tampereen yliopiston kongressitoimistosta huolehtii kongressin käytännön järjestelyistä. Häneen voi ottaa yhteyttä sähköpostitse kristiina.tuokko@tuni.fi tai puhelimitse 0503451051

Odotamme innolla myönteistä vastaustanne.

Ystävällisin terveisin

Donald Lupo
Professor, Tampere University

The Faculty of Information Technology and Communication Sciences (ITC)

City of Tampere
Mayor Anna-Kaisa Ikonen
PO BOX 487
33101 Tampere

Application: Reception hosted by the City of Tampere on 18 October 2022

On 18 - 19 October 2022, Tampere University will organise OE-A Working Group Meeting 2022. The meeting organisers cordially inquire if the City of Tampere would like to organise a reception for the meeting participants at the Old City Hall on Tuesday 18 October 2022 at 6 pm.

The Working Group Meeting will bring ca. 100 participants from companies and research organizations around the world to Tampere. The OE-A is the largest industry organization for the growing organic, printed and flexible electronics community, with over 220 member companies and organizations around the world, with particular concentration in Europe. The Working Group Meetings are important events for networking and for identifying new business opportunities.

For further information on the congress, see the enclosed preliminary invitation or visit the OE-A website at www.oe-a.org. Kristiina Tuokko from the Tampere University Congress Office takes care of the practical arrangements of the congress. She may be contacted by email kristiina.tuokko@tuni.fi or telephone 0503451051.

I am looking forward to a positive response to our application.

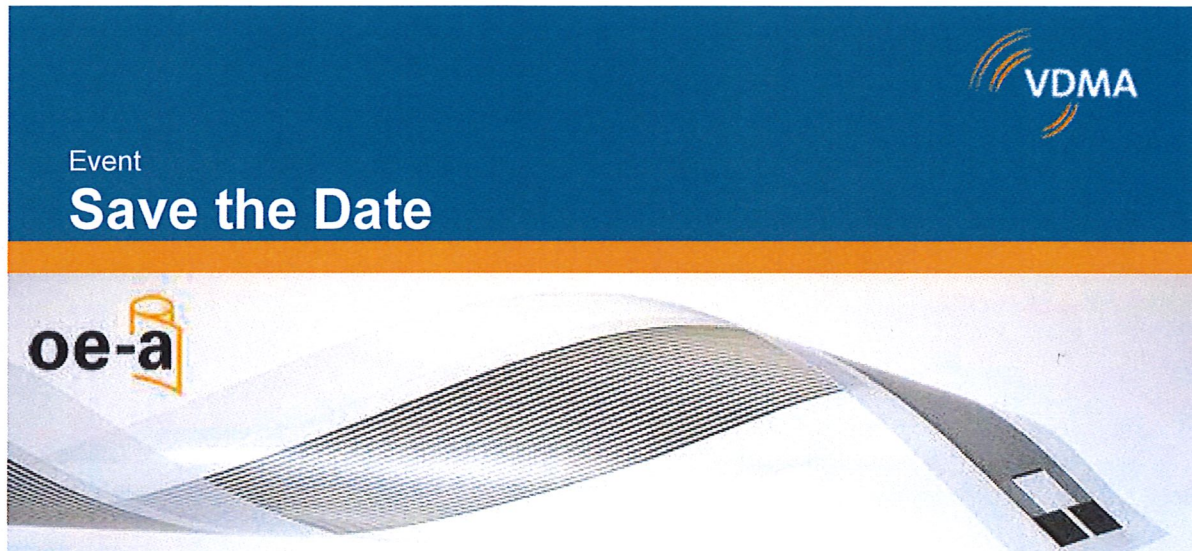

Best wishes,

Donald Lupo
Professor, Tampere University

- Accommodation & travel information

Dear Professor Lupo,

We are happy to announce that the next [OE-A Meeting](#) will take place in **October 18 and 19, 2022** and will be hosted by the [Tampere University](#) (Finland).

OE-A Meeting Tampere, October 18-19, 2022 - first infos

Save the date: Tuesday, October 18, 9.00 am - 10.00 pm
Wednesday, October 19, 8.00 am - 5.00 pm
Tampere University (City Centre Campus), Finland

For an early travel planning, please find attached our **travel and accommodation information**. We recommend you to book your accommodation early and directly through the hotels or booking platforms.

An exciting agenda with presentations, working groups and plenty of time for networking awaits you. Besides, in collaboration with the Tampere University and some of our company members, we are organizing lab visits at the campus on Tuesday and company tours at **Avery Dennison Smartrac** and **Iscent**, among others, on Wednesday afternoon.

You will receive the official invitation, including the agenda, as well as access data for the online registration in the second half of August.

In the meantime, please make sure to visit the [OE-A Calendar of Events](#) to stay updated about our upcoming events.

Any questions? Please do not hesitate to contact us.

We are looking forward to meeting you in-person again this year!

Best regards,

Klaus Hecker
