Dear Ms. Jussila,

Thank you for your reply, and no worries at all!

We are delighted to hear that you would be pleased to take part in our panel on 5 November.

Thank you also for sharing your preferred travel schedule, we will come back to you shortly regarding the logistics, including flights and accommodation arrangements, as well as with further details about the panel and your participation.

Please also find attached the speaker form if you could fill in and send it back to us by september 18th. The information will be used for the communication in Efus and Smart city expo congress websites.

Looking forward to having you with us!

Best regards,

I think for some reason my answer to you in early August has not arrived. I'm very sorry about that.

I would be pleased to take part in a panel AI for Safer Cities on 5th of November.

If we proceed with this idea/plan how do we go forward with the flights and accommodation reservations?

We did look for flights already during August and I was planning to leave from Helsinki early Tuesday morning (3rd of November) and return to Helsinki on Friday (6th of November).

Hope to hear from you soon.

Best regards from Tampere,

Anne-Mari

Aihe: Re: City of Tampere- Panel AI for Safer Cities (Smart City World congress)

Dear Ms. Jussila,
I hope you are well.
I am just following up on our previous email regarding our invitation to participate as a speaker in our AI for Safer Cities: Opportunities and Risks panel at the Smart City Expo World Congress in Barcelona.
We would be very pleased to have you join the discussion and share the City of Tampere's experience and insights on responsible AI deployment.
Could you please let us know whether you might be available to participate ? As mentioned, we are also proposing to cover the flights and accommodation for participating speakers.
Please do not hesitate to contact me if you need any further information.
Many thanks in advance and we look forward to hearing from you.
Kind regards,
