

NAROK COUNTY GOVERNMENT

The Land of Diversity

THE CITY OF TAMPERE

Letter of Intent on Cooperation in Education between

Narok County, Kenya
and
the City of Tampere, Finland

By signing this Letter of Intent (LoI), both parties will work together to best leverage the strength and resources of both sides to identify and initiate international projects on education:

I. General Principles

Both parties will comply with the existing laws, regulations and compliances of their own countries on the basis of equality and mutual benefits in the field of educational exchange and cooperation. Both parties will try their best to provide the favorable conditions for the fruitful exchange and cooperation in the coming years.

II. Objective

Based on an in-depth exchange of views, both parties are committed to start and strengthen their educational exchange and cooperation in a comprehensive manner, and to actively encourage teachers and education professionals to share their experience and develop new cooperation projects by jointly identifying priority at different levels of education.

III. Forms of Cooperation

Both parties will, on the basis of shared education values and practice, promote pragmatic collaboration at all levels, specifically:

- Information sharing and dialogues on education policies, principles and practice of teaching and learning;
- Various kinds of educational cooperation projects and teacher training (e.g. joint projects for all subject of learning, degree programs, student and teachers' exchange program, etc.).

IV. Evaluation

Both parties will jointly review the implementation status of the joint projects annually.

V. Duration

1. This letter of intent is valid for three years and takes immediate effect upon signing. It may be terminated by either party, provided that a written notice of at least 6 months in advance is given.
2. Within the validity of this letter, either party may add provisions for its improvement when agreed upon by both parties in written form.

VI. No legal or financial obligations

1. Each party will bear its own costs resulting from its participation in this letter, and will fund the activities referred in this letter with the resources subject to their respective budgets and their legislation, unless the use of alternative financial mechanisms for specific purposes is otherwise agreed upon by both parties.
2. This letter is not a legally binding agreement, but an expression and record of both parties' strong will of promoting educational cooperation for mutual interest. Nothing in this letter shall be construed so as to affect the juridical responsibility of either party or to impose any financial obligations on them.
