**ICLEI European Regional Executive Committee meeting at ICLEI World
Congress in Malmö, Sweden**

Dear Members of the ICLEI Europe Regional Executive Committee,

We hope this letter finds you well. We wish you all the best for a sustainable 2022 and hope that it will bring a more positive perspective for our future beyond the pandemic.

After having exchanged merely online since the instalment of the ICLEI Europe REXCom 2021-2024, we are looking forward to meeting you in person this year. With this letter we wish to cordially invite you to our next meeting, which will take place at the occasion of the ICLEI World Congress in Malmö, Sweden (11-13 May 2022).

The REXCom meeting will take place on Tuesday 11 May from 15.00-17.30 CEST and will be followed by the conference welcoming cocktail at 17.30 and then the REXCom dinner on invitation of ICLEI. We are planning to reflect on the current state of affairs related to our thematic portfolios and the ongoing political processes and policy development at the EU level. An agenda including further details will be shared with you well beforehand.

ICLEI is a membership organization of local governments and associations of local government.

ICLEI's mission is to build and serve a worldwide movement of local governments to achieve tangible improvements in global sustainability with special focus on environmental conditions through cumulative local actions.

ICLEI was founded in 1990 as the International Council for Local Environmental Initiatives.

We will also seek synergies with the World Congress programme and identify speaking opportunities for our REXCom where relevant and possible. Regarding the messages that have been sent by the organizers concerning registration and relevant fees, we can inform you that the ICLEI ES will take care of your registration fees. It is important that you [register at this link](#) and add the Promo Code "ES2022".

If you wish to already book a hotel (at your own expense) upon registration, you can also do so through the registration system. We would suggest the Clarion hotel, which is where the congress is taking place. Of course you are also free to select other hotels through other booking systems if you prefer to do so.

We look forward to seeing you in person in Malmö.

Kind regards

Martin Horn
