In order to ensure practitioner relevance and quality, associate partners¹ are consulted as external reviewers of the developed project results. The associate partner in the project 'Teaching case studies online: How to design and teach case studies in vocational schools' commits to (1) providing structured feedback on the working packages and project results with the national university partner. This feedback should be given within the project duration (12/2023-11/2026) and will be incorporated in the further development of the project results.

The associated partner (mentioned above) confirms his/her participation as an expert with the agreed tasks in this project.

The agreement will not be binding on the City of Tampere until the relevant decision has become enforceable.
