- (a) The Borrower agrees that it will use the Bank's logo, together with a statement highlighting the Bank's support to the Project (i.e., "supported by the EIB" or an equivalent language), in a visible way in its posts on its and/or Project's websites and social media accounts and, as applicable, in all press releases and communication materials, related to the financing of the Project.
- (b) The Borrower agrees that it will display durable plaques, billboards or similar displays clearly visible to the public, that present the Bank's logo and clearly recognise the Bank's support to the Project, in accordance with the technical characteristics agreed with the Bank.

ARTICLE 9

Charges and expenses

9.1 Taxes, duties and fees

The Borrower shall pay all Taxes, duties, fees and other impositions of whatsoever nature, including stamp duty and registration fees, arising out of the execution or implementation of this Contract or any related document and in the creation, perfection, registration or enforcement of any Security for the Loan to the extent applicable.

The Borrower shall pay all principal, interest, indemnities and other amounts due under this Contract gross without any withholding or deduction of any national or local impositions whatsoever required by law or under an agreement with a governmental authority or otherwise. If the Borrower is obliged to make any such withholding or deduction, it shall gross up the payment to the Bank so that after withholding or deduction, the net amount received by the Bank is equivalent to the sum due.

9.2 Other charges

The Borrower shall bear all charges and expenses, including professional, banking or exchange charges incurred in connection with the preparation, execution, implementation, enforcement

and termination of this Contract or any related document, any amendment, supplement or waiver in respect of this Contract or any related document, and in the amendment, creation, management, enforcement and realisation of any security for the Loan.

- (a) The Borrower shall pay to the Bank any costs or expenses incurred or suffered by the Bank as a consequence of the introduction of or any change in (or in the interpretation, administration or application of) any law or regulation or compliance with any law or regulation which occurs after the date of signature of this Contract, in accordance with or as a result of which (i) the Bank is obliged to incur additional costs in order to fund or perform its obligations under this Contract, or (ii) any amount owed to the Bank under this Contract or the financial income resulting from the granting of the Credit or the Loan by the Bank to the Borrower is reduced or eliminated.
- (b) Without prejudice to any other rights of the Bank under this Contract or under any applicable law, the Borrower shall indemnify and hold the Bank harmless from and against any loss incurred as a result of any full or partial discharge that takes place in a manner other than as expressly set out in this Contract.
- (c) The Bank may set off any matured obligation due from the Borrower under this Contract (to the extent beneficially owned by the Bank) against any obligation (whether or not matured) owed by the Bank to the Borrower regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Bank may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off. If either obligation is unliquidated or unascertained, the Bank may set off in an amount estimated by it in good faith to be the amount of that obligation.

ARTICLE 10

The Bank may make such demand immediately without prior notice or any judicial or extra judicial step:

- (a) if the Borrower does not pay on the due date any amount payable pursuant to this Contract at the place and in the currency in which it is expressed to be payable, unless:
 - (i) its failure to pay is caused by an administrative or technical error or a Disruption Event; and
 - (ii) payment is made within 3 (three) Business Days of its due date;
- (b) if any information or document given to the Bank by or on behalf of the Borrower or the Guarantor or any representation, warranty or statement made or deemed to be made by the Borrower or the Guarantor in, pursuant to or for the purposes of entering into this Contract or the Guarantee Agreement in connection with the negotiation or performance of this Contract or the Guarantee Agreement is or proves to have been incorrect, incomplete or misleading in any material respect;

- (c) if, following any default of the Borrower or the Guarantor in relation to any loan, or any obligation arising out of any financial transaction, other than the Loan:
 - (i) the Borrower or the Guarantor is required or is capable of being required or will, following expiry of any applicable contractual grace period, be required or be capable of being required to prepay, discharge, close out or terminate ahead of maturity such other loan or obligation; or
 - (ii) any financial commitment for such other loan or obligation is cancelled or suspended;
- (d) if the Borrower or the Guarantor is unable to pay its debts as they fall due, or suspends its debts, or makes or seeks to make a composition with its creditors;
- (e) if any corporate action, legal proceedings or other procedure or step is taken in relation to or an order is made or an effective resolution is passed for the winding up of the Borrower, the Guarantor, or if the Borrower, the Guarantor takes steps towards a substantial reduction in its capital, is declared insolvent or ceases or resolves to cease to carry on the whole or any substantial part of its business or activities, or any situation similar to any of the above occurs under any applicable law;
- (f) if an encumbrancer takes possession of, or a receiver, liquidator, administrator, administrative receiver or similar officer is appointed, whether by a court of competent jurisdiction or by any competent administrative authority, of or over, any part of the business or assets of the Borrower or the Guarantor or any property forming part of the Project;
- (g) if the Borrower, the Guarantor defaults in the performance of any obligation in respect of any other loan granted by the Bank or financial instrument entered into with the Bank, or of any other loan or financial instrument made to it from the resources of the Bank or the European Union;

10.1.B Demand after notice to remedy

The Bank may also make such demand without prior notice or any judicial or extra judicial step (without prejudice to any notice referred to below):

- (a) if the Borrower fails to comply with any provision of this Contract (other than those referred to in Article 10.1.A); or the Guarantor fails to comply with any provision of the Guarantee; or
- (b) if any fact related to the Borrower or the Project stated in the Recitals materially alters and is not materially restored and if the alteration either prejudices the interests of the Bank as lender to the Borrower or adversely affects the implementation or operation of the Project,

unless the non-compliance or circumstance giving rise to the non-compliance is capable of remedy and is remedied within a reasonable period of time specified in a notice served by the Bank on the Borrower or the Guarantor.

10.2 Other rights at law

Article 10.1 shall not restrict any other right of the Bank at law to require prepayment of the Loan Outstanding.

10.3 Indemnity

10.3.A Fixed Rate Tranches

In case of demand under Article 10.1 in respect of any Fixed Rate Tranche, the Borrower shall pay to the Bank the amount demanded together with the indemnity on any amount of principal due to be prepaid. Such indemnity shall (i) accrue from the due date for payment specified in the Bank's notice of demand and be calculated on the basis that prepayment is effected on the date so specified, and (ii) be for the amount communicated by the Bank to the Borrower as the present value (calculated as of the date of the prepayment) of the excess, if any, of:

- (a) the interest that would accrue thereafter on the amount prepaid over the period from the date of prepayment to the Interest Revision/Conversion Date, if any, or the Maturity Date, if it were not prepaid; over
- (b) the interest that would so accrue over that period, if it were calculated at the Redeployment Rate, less 0.19% (nineteen basis points).

The said present value shall be calculated at a discount rate equal to the Redeployment Rate, applied as of each relevant Payment Date of the applicable Tranche.

10.3.B General

Amounts due by the Borrower pursuant to this Article 10.3 shall be payable on the date specified in the Bank's demand.

10.4 Non-Waiver

No failure or delay or single or partial exercise by the Bank in exercising any of its rights or remedies under this Contract shall be construed as a waiver of such right or remedy. The rights and remedies provided in this Contract are cumulative and not exclusive of any rights or remedies provided by law.

Definition of EURIBOR

"EURIBOR" means:

- (a) in respect of a relevant period of less than one month, the Screen Rate (as defined below) for a term of one month;
- (b) in respect of a relevant period of one or more months for which a Screen Rate is available, the applicable Screen Rate for a term for the corresponding number of months; and
- (c) in respect of a relevant period of more than one month for which a Screen Rate is not available, the rate resulting from a linear interpolation by reference to two Screen Rates, one of which is applicable for a period next shorter and the other for a period next longer than the length of the relevant period,

(the period for which the rate is taken or from which the rates are interpolated being the "**Representative Period**").

For the purposes of paragraphs (a) to (c) above:

- (i) "**available**" means the rates, for given maturities, that are calculated and published by Global Rate Set Systems Ltd (GRSS), or such other service provider selected by the European Money Markets Institute (EMMI), or any successor to that function of EMMI, as determined by the Bank; and
- (ii) "**Screen Rate**" means the rate of interest for deposits in EUR for the relevant period as published at 11:00 a.m., Brussels time, or at a later time acceptable to the Bank on the day (the "**Reset Date**") which falls 2 (two) Relevant Business Days prior to the first day of the relevant period, on Reuters page EURIBOR 01 or its successor page or, failing which, by any other means of publication chosen for this purpose by the Bank.

If such Screen Rate is not so published, the Bank shall request the principal offices of four major banks in the euro-zone, selected by the Bank, to quote the rate at which EUR deposits in a comparable amount are offered by each of them, as at approximately 11:00 a.m., Brussels time on the Reset Date to prime banks in the euro-zone interbank market for a period equal to the Representative Period. If at least 2 (two) quotations are provided, the rate for that Reset Date will be the arithmetic mean of the quotations. If no sufficient quotations are provided as requested, the rate for that Reset Date will be the arithmetic mean of the rates quoted by major banks in the euro-zone, selected by the Bank, at approximately 11:00 a.m., Brussels time, on the day which falls 2 (two) Relevant Business Days after the Reset Date, for loans in EUR in a comparable amount to leading European banks for a period equal to the Representative Period. The Bank shall inform the Borrower without delay of the quotations received by the Bank.

All percentages resulting from any calculations referred to in this Schedule will be rounded, if necessary, to the nearest one thousandth of a percentage point, with halves being rounded up.

If any of the foregoing provisions becomes inconsistent with provisions adopted under the aegis of EMMI (or any successor to that function of EMMI as determined by the Bank) in respect of EURIBOR, the Bank may by notice to the Borrower amend the provision to bring it into line with such other provisions.

If the Screen Rate becomes permanently unavailable, the EURIBOR replacement rate will be the rate (inclusive of any spreads or adjustments) formally recommended by (i) the working group on euro risk-free rates established by the European Central Bank (ECB), the Financial Services and Markets Authority (FSMA), the European Securities and Markets Authority (ESMA) and the European Commission, or (ii) the European Money Market Institute, as the administrator of EURIBOR, or (iii) the competent authority responsible under Regulation (EU) 2016/1011 for supervising the European Money Market Institute, as the administrator of

the EURIBOR, or (iv) the national competent authorities designated under Regulation (EU) 2016/1011, or (v) the European Central Bank.

If the Screen Rate becomes permanently unavailable and no EURIBOR replacement rate is formally recommended as provided above, EURIBOR shall be the rate (expressed as a percentage rate per annum) which is determined by the Bank to be the all-inclusive cost to the Bank for the funding of the relevant Tranche based upon the then applicable internally generated Bank reference rate or an alternative rate determination method reasonably determined by the Bank.

Interest Rate Revision and Conversion

If an Interest Revision/Conversion Date has been included in the Disbursement Offer for a Tranche, the following provisions shall apply.

A. Mechanics of Interest Revision/Conversion

Upon receiving an Interest Revision/Conversion Request the Bank shall, during the period commencing 60 (sixty) days and ending 30 (thirty) days before the Interest Revision/Conversion Date, deliver to the Borrower an Interest Revision/Conversion Proposal stating:

- (a) the Fixed Rate and/or Spread that would apply to the Tranche, or of its part indicated in the Interest Revision/Conversion Request pursuant to Article 3.1; and
- (b) that such rate shall apply until the Maturity Date or until a new Interest Revision/Conversion Date, if any, and that interest is payable quarterly or semi-annually, in accordance with Article 3.1, in arrear on designated Payment Dates.

The Borrower may accept in writing an Interest Revision/Conversion Proposal by the deadline specified therein. At the Bank's discretion, an Interest Revision/Conversion Proposal may be subject to live pricing in line with Articles 1.2.B and 1.2.C.

Any amendment to this Contract requested by the Bank in this connection shall be effected by an agreement to be concluded and effective not later than 1 (one) Business Day prior to (i) sending by the Bank of an Interest Revision/Conversion Proposal or, (ii) having a live pricing call pursuant to the above paragraph.

Fixed Rates and Spreads are available for periods of not less than 4 (four) years or, in the absence of a repayment of principal during that period, not less than 3 (three) years.

B. Effects of Interest Revision/Conversion

If the Borrower duly accepts in writing a Fixed Rate or a Spread in respect of an Interest Revision/Conversion Proposal, the Borrower shall pay accrued interest on the Interest Revision/Conversion Date and thereafter on the designated Payment Dates.

Prior to the Interest Revision/Conversion Date, the relevant provisions of this Contract and Disbursement Offer and Disbursement Acceptance shall apply to the Tranche in its entirety. From and including the Interest Revision/Conversion Date onwards, the provisions contained in the Interest Revision/Conversion Proposal relating to the new Fixed Rate or Spread shall apply to the Tranche (or any part thereof, as indicated in the Interest Revision/Conversion Request) until the new Interest Revision/Conversion Date, if any, or until the Maturity Date.

C. Partial or no Interest Revision/Conversion

In case of a partial Interest Revision/Conversion, the Borrower will repay, without indemnity, on the Interest Revision/Conversion Date the part of the Tranche that is not covered by the Interest Revision/Conversion Request and which is therefore not subject to the Interest Revision/Conversion.

If the Borrower does not submit an Interest Revision/Conversion Request or does not accept in writing the Interest Revision/Conversion Proposal for the Tranche or if the Parties fail to effect an amendment requested by the Bank pursuant to paragraph A above, the Borrower shall repay the Tranche in full on the Interest Revision/Conversion Date, without indemnity. In respect of an Interest Revision/Conversion Proposal that is subject to live pricing in line with Article 1.2.B and Article 1.2.C, if the Borrower does not confirm in writing the Interest Revision/Conversion Proposal the content of which was agreed during a pricing call, it shall pay the indemnity set out in paragraph (d) of Article 1.2.C
