Each Party shall take reasonable measures to ensure the accuracy of any information or materials it supplies to the other Parties.

### **4.2 Breach**

In the event that the General Assembly identifies a breach by a Party of its obligations under this Consortium Agreement or the Grant Agreement (e.g. improper implementation of the Project), the Coordinator or, if the Coordinator is in breach of its obligations, the Party appointed by the General Assembly, will give formal notice to such Party requiring that such breach will be remedied within 30 calendar days from the date of receipt of the written notice by the Party.

If such breach is substantial and is not remedied within that period or is not capable of remedy, the General Assembly may decide to declare the Party to be a Defaulting Party and to decide on the consequences thereof which may include termination of its participation.

### **4.3 Involvement of third parties**

A Party that enters into a subcontract or otherwise involves third parties (including but not limited to Affiliated Entities or other Participants) in the Project remains responsible for carrying out its relevant part of the Project and for such third party's compliance with the provisions of this Consortium Agreement and of the Grant Agreement. Results and Background) supplied by one Party to another under the Project, no warranty or representation of any kind is made, given or implied as to the sufficiency or fitness for purpose nor as to the absence of any infringement of any proprietary rights of third parties.

Therefore,

- the recipient Party shall in all cases be entirely and solely liable for the use to which it puts such information and materials, and
- no Party granting Access Rights shall be liable in case of infringement of proprietary rights of a third party resulting from any other Party (or its entities under the same control) exercising its Access Rights.

### 5.2 Limitations of contractual liability

No Party shall be responsible to any other Party for any indirect or consequential loss or similar damage such as, but not limited to, loss of profit, loss of revenue or loss of contracts.

A Party's aggregate liability towards the other Parties collectively shall be limited to once the Party's share of the total costs of the Project as identified in Annex 2 of the Grant Agreement.

The limitations of liability agreed in this Section 5.2 shall not apply to a Party's obligation (as set out in Section 7.15 of this Consortium Agreement) to repay unduly paid financing received by such Party or to the extent that such limitation is not permitted by law.

Notwithstanding the foregoing, if a Party has repaid unduly paid financing on behalf of the Party who received such unduly paid financing, the repaying Party shall have the right to recover from the responsible Party the full amount it has repaid on behalf of the responsible Party (right of recourse).

### 5.3 Damage caused to third parties

Each Party shall be solely liable for any loss, damage or injury to third parties resulting from the performance of the said Party's obligations by it or on its behalf under this Consortium Agreement or from its use of Results or Background.

### 5.4 Force Majeure

No Party shall be considered to be in breach of this Consortium Agreement if it is prevented from fulfilling its obligations under the Consortium Agreement by Force Majeure.

Each Party will notify the General Assembly of any Force Majeure without undue delay. If the consequences of Force Majeure for the Project are not overcome within 6 weeks after such notice, the transfer of tasks – if any – shall be decided by the General Assembly.

### 5.5 Export control

No Party shall be considered to be in breach of this Consortium Agreement if it is prevented from fulfilling its obligations under the Consortium Agreement due to a restriction resulting from import or export laws and regulations and/or any delay of the granting or extension of the import or export license or any other governmental authorisation, provided that the Party has used its reasonable efforts to fulfil its tasks and to apply for any necessary license or authorisation properly and in time.

Each Party will notify the General Assembly of any such restriction without undue delay. If the consequences of such restriction for the Project are not overcome within 6 weeks after such notice, the transfer of tasks – if any – shall be decided by the General Assembly.

### 6.4.2

In particular, the Coordinator shall be responsible for:

- keeping the address list of Members and other contact persons updated and available
- preparing the meetings, proposing decisions and preparing the agenda of General Assembly meetings, chairing the meetings, preparing the minutes of the meetings and monitoring the implementation of decisions taken at meetings
- transmitting promptly documents and information connected with the Project to any other Party concerned
- administering the financial contribution of the Granting Authority and fulfilling the financial tasks described in Section 7.2
- providing, upon request, the Parties with official copies or originals of documents that are in the sole possession of the Coordinator when such copies or originals are necessary for the Parties to present claims.

If one or more of the Parties is late in submission of any Project deliverable, the Coordinator may nevertheless submit the other Parties' Project deliverables and all other documents required by the Grant Agreement to the Granting Authority in time.

### 6.4.3

If the Coordinator fails in its coordination tasks, the General Assembly may propose to the Granting Authority to change the Coordinator.

### 6.4.4

The Coordinator shall not be entitled to act or to make legally binding declarations on behalf of any other Party or of the consortium, unless explicitly stated otherwise in the Grant Agreement or this Consortium Agreement.

## 6.4.5

The Coordinator shall not enlarge its role beyond the tasks specified in this Consortium Agreement and in the Grant Agreement.

## 7 Financial provisions

### 7.1 General Principles

#### 7.1.1 Distribution of Financial Contribution

The financial contribution of the Granting Authority to the Project shall be distributed by the Coordinator according to:

- the Consortium Plan,
- the approval of reports by the Granting Authority, and
- the provisions of payment in Section 7.2.

A Party shall be funded only for its tasks carried out in accordance with the Consortium Plan.

#### 7.1.2 Justifying Lump Sum Contributions

Each Party contributes with complete, reliable and true information to all reporting requirements regarding the completion of work packages and proper implementation. Moreover, adequate records and supporting documents must be provided by the Parties concerned upon request of the Granting Authority in line with the Grant Agreement. Each Party is solely liable for justifying its Lump Sum Contribution or share.

#### 7.1.3 Funding Principles

Each Party is entitled to its Lump Sum Contribution as approved by the Granting Authority after completion of the respective work package. For work packages not completed at the end of the Project, the Coordinator distributes to each Party only the share of Lump Sum Contribution as approved by the Granting Authority at final payment.

#### 7.1.4 Excess payments

A Party has received excess payment

- a) if the payment received from the Coordinator exceeds the amount declared or
- b) if the General Assembly assessed that the performance of a Party regarding the completion of one or several work packages is significantly lower than foreseen in Annex 1 of the Grant Agreement and that the Party received more funding than approved by the Granting Authority.

In case a Party has received excess payment, the Party has to inform the Coordinator and the Party has to return the relevant amount to the Coordinator without undue delay. In case no refund takes place within 30 days upon request for return of excess payment from the Coordinator, the Party is in substantial breach of the Consortium Agreement.

### 7.1.5 Recoveries

Should the Granting Authority, in accordance with the Grant Agreement, demand repayment of funding already transferred from the Coordinator, the Coordinator shall immediately forward to the Party the recovery documents received from the Granting Authority and notify every Party of the amount repayable, and each Party shall transfer to the Coordinator any amounts paid to them in excess.

If the Granting Authority deducts the amount to be repaid from a payment to the Coordinator, the Party which received the excess funding concerned shall reimburse the amount at stake to the Coordinator.

If the recovered amount has been deducted from the payment to the Coordinator, the Coordinator shall have the right to deduct the respective amount from the other Parties' payment claims. In such case, the Coordinator will primarily deduct the amount from the payment claim of the Party who received the excess funding in question, however, if the amount cannot be deducted in full from the payment claim of such Party, the amount will be deducted from the other Parties' payment claims in proportion to their shares of the sum of total funding granted to them. The Party who received the excess funding in question must return to the Coordinator any undue amounts received by it which could not be deducted from its own payment claim, and such returned amount shall be distributed among the other Parties to cover the deduction suffered by them.

If a Party who has received unduly paid funding has become insolvent and the Coordinator cannot therefore recover the unduly paid amount from said Party, the other Parties shall upon the Coordinator's request, each in proportion to its own share of the total funding, excluding the share of the insolvent Party as identified Annex 2 of the Grant Agreement, repay the amount unduly paid to the insolvent Party if the Granting Authority demands payment from the Coordinator despite the Coordinator being unable to secure repayment from the insolvent Party. For the avoidance of doubt, the foregoing shall not affect the obligation of the insolvent Party to repay the excess funding received by it. If the Coordinator subsequently succeeds in recovering the undue amount or part of it from the insolvent Party, the amount will be shared between the other Parties in proportion to the amount they have had to repay on behalf of the insolvent Party in accordance with this section 7.1.5.

### 7.1.6 Financial consequences of the termination of the participation of a Party

A Party leaving the consortium shall refund to the Coordinator any payments it has received except the amount of Lump Sum Contributions accepted by the Granting Authority at termination. After termination this Party is entitled to receive its Lump Sum Contribution as foreseen in Annex 2 of the Grant Agreement and approved by the Granting Authority at interim or final payment. The Coordinator will inform this Party accordingly upon payment of the final amount by the Granting Authority and distribute the amount due to the terminated Party.

In addition, a Defaulting Party shall, within the limits specified in Section 5.2 of this Consortium Agreement, bear any reasonable and justifiable additional costs occurring to the other Parties in order to perform the leaving Party's tasks as well as for additional efforts necessary to complete the respective work packages. Parties, excluding the Defaulting Party, should agree on a procedure regarding additional costs.

## 7.2 Payments

### 7.2.1 Payments to Parties are the exclusive task of the Coordinator

In particular, the Coordinator shall:

- notify the Party concerned promptly of the date and composition of the amount transferred to its bank account, giving the relevant references
- perform diligently its tasks in the proper administration of any funds and in maintaining financial accounts
- undertake to keep the Granting Authority's financial contribution to the Project separated from its normal business accounts, its own assets and property, except if the Coordinator is a Public Body or is not entitled to do so due to statutory legislation.

With reference to Article 22 of the Grant Agreement, no Party shall before the end of the Project receive more than its allocated share of the maximum grant amount less the amounts retained by the Granting Authority for the final payment.

### 7.2.2 Payment mode

The Coordinator will transfer payments in accordance with Art. 7 and 22.1 of the Grant Agreement following this payment scheme. Payments will be paid by the Coordinator to the Parties after receipt of payment from the Granting Authority in separate instalments as agreed below:

Instalment 1: 70 % of the Party's share of <b>the initial prefinancing</b> (the prefinancing 1)	Without undue delay after receipt of the initial prefinancing by the Coordinator and after completing the signature of the Consortium Agreement
Instalment 2: 30 % of the Party's share of <b>the initial prefinancing</b> (the prefinancing 1)	Upon positive performance assessment of Internal Progress Reports, 6 months after payment of the Instalment 1 by the Coordinator
Instalment 3: 70 % of the Party's share of <b>the additional prefinancing</b> (the prefinancing 2)	Upon positive performance assessment of Internal Progress Reports, without undue delay after receipt of the additional prefinancing by the Coordinator.
Instalment 4: 30 % of the Party's share of <b>the additional prefinancing</b> (the prefinancing 2)	Upon positive performance assessment of Internal Progress Reports, 6 months after payment of the Instalment 3 by the Coordinator

<b>The final payment</b>	Without undue delay after receipt of the final payment by the Coordinator
--------------------------	---------------------------------------------------------------------------

Instalments 2, 3 and 4 shall be subject to positive performance assessment of a Party's Internal Progress Report by the Coordinator in accordance with Section 4.5.1.

For the avoidance of doubt, the Coordinator shall in all cases distribute the funding to the Parties only after receiving it from the Granting Authority. If the Granting Authority suspends the payment of the funding, the Coordinator will also suspend the distribution of the funding to the Parties.

As interim payments, the Parties will receive, upon receipt of the interim payment by the Coordinator, the difference between the further prefinancing instalments already received and the Lump Sum Contributions approved by the Granting Authority. The initial prefinancing will not be taken into account for this calculation and remains as a float.

The Coordinator is entitled to withhold any payments due to a Party identified by the General Assembly to be in breach of its obligations under this Consortium Agreement or the Grant Agreement or to a Party which has not yet signed this Consortium Agreement.

The Coordinator is entitled to recover any payments already paid to a Defaulting Party. For Lump Sum Contributions accepted by the Granting Authority, the Coordinator is entitled to recover payment already paid to a Defaulting Party if required or suggested by or agreed with the Granting Authority. The Coordinator is equally entitled to withhold payments to a Party when this is suggested by or agreed with the Granting Authority.
